

“She has one of the most amazing voices in this country, I love this beautiful woman and her talent” - Kasey Chambers

Lyn Bowtell is one of Australia's finest Singer/Songwriters, possessing a powerful and evocative voice recognised by her peers as one of the best in the business.

Six time Golden Guitar winner Lyn Bowtell's musical journey began in the Country Music Clubs of the Darling Downs and has led her to stages all over Australia and around the world.

Lyn first came to prominence as songwriter and singer for multi award winning Country Pop trio Bella, since then she has released two critically acclaimed solo albums, '**Secret Songs**' (WJO) in 2012, and '**Heart of Sorrow**' (Maven/Sony) in 2014.

An innovative and creative songwriter Lyn defies musical constraint and easy classification. With influences reaching from pure Country to Blues and Jazz to Reggae and Pop, Lyn has her own distinctive musical identity and voice.

Lyn is currently writing for her third solo album, performing her own 'Heart of Sorrow' shows, and collaborating with Felicity Urquhart and Kevin Bennett on their '**Bennett, Bowtell & Urquhart**' side project.

Lyn Bowtell is a Toyota Star Maker winner, MO Award winner, a six-time Golden Guitar winner, a 2013 APRA Song of The Year finalist and was nominated for two Golden Guitars in the 2013 Country Music Awards for 'Best Female Artist' and 'Best Alternative Album of the Year' for 'Secret Songs'.

Lyn was further nominated for three Golden Guitars in the 2015 Country Music Awards for 'Best Female Artist', 'Vocal Collaboration of the Year' and 'Best Alternative Country Album of the Year' winning a Golden Guitar in the 'Best Alternative Country Album of the Year' category for latest album 'Heart of Sorrow'.

In 2017 Lyn was nominated for seven Golden Guitars awards, five with Bennett, Bowtell & Urquhart and two for 'Vocal Collaboration of the Year', winning two with Bennett, Bowtell & Urquhart for 'Best Alternative Country Album' and 'Group or Duo of the Year' and one herself for 'Vocal Collaboration of the Year'.
